Marathon Moving & Delivery  
9233 Bond Street  
Overland Park, KS 66214

Dear Roger and Dana,

*The service we received from Marathon Moving & Delivery for our residential and small business move was exemplary! From the initial visit, consult, & quote to the end of "move day", it was apparent that service is your mission. Communication from you was direct, clear, and prompt.*

*We appreciated your flexibility regarding our move date as well as allowing us a few days to store our belongings. The staff that moved us was courteous and treated our household as it was there's.*

*It was a pleasure to hire you and we most certainly will be ambassadors recommending you to others.*

*Best regards,*

*Randy & Diana Foster*
